Subject: **Givaudan v Conagen et al. Mediation**

Chris,

We agreed last week that the mediation would remain pending until we agreed that settlement discussions had terminated.

We want to confirm that settlement discussions have now terminated and the mediation had concluded. Accordingly, pursuant to Judge Koetl's Order in *Givaudan v Conagen* (no. 18-cv-03588), we must advise the Court on the status of the case within seven days.

We see that Judge Koetl's Order was entered in the above case only. Accordingly, Givaudan is technically in default of responding to the complaint in the co-pending SDNY action, *Blue Cal et al. v. Givaudan* (no. 18-cv-06172).

We propose to advise J. Koetl of the status of mediation for both of these cases and request an extension of two weeks for all deadlines in all of the litigations, including both related SDNY cases as well as the NY state and CA state actions.

Please let us know if your client agrees and we can take care of the paperwork tomorrow.

Thanks,
Kassie
